RUNNING SORES

Little Girl's Obstinate Case of Eczema - Instantaneous Relief By Cuticura - Little Boy's Handa and Arms Also Were a Mass of Torturing Sores - Grateful Mother Says:

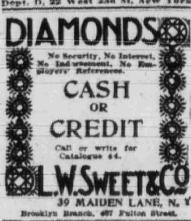

"CUTICURA REMEDIES A HOUSEHOLD STANDBY"

'In reply to your letter I write you by experience, and you are privileged to use it as you see fit.' Last year, fter having my little girl treated by a relief afforded that we discarded the physician's prescription and relied en-tirely on the Cuticura Soap, Cuticura Ointment, and Cuticura Pills. When edies her feet and limbs were covered with running sores. In about six weeks with running sores. In about at weeks we had her completely well, and there has been no recurrence of the trouble.

"In July of this year a little boy in our family poisoned his hands and arms with poison oak, and in twenty-four hours his hands and arms were a mass of torturing sores. We used only the Cuticura Remedies, washing his hands and arms with the Cuticura Soap, and anointed them with the Cuticura Ointment, and then gave him the Cuticura Resolvent. In about three weeks his hands and arms healed up; so we have lots of cause for feeling grateful for the Cuticura Remedies. We find that the Cuticura Remedies are a valuable household standby, living as we do twelve miles from a doctor, and where it costs from twenty to twenty-five dollars to some up on the mountain. lars to come up on the mountain.
